Whitefield (Coös)

Whitefield is a town in Coös County with 713 residents aged 65 or older. Compared to state average rates, older residents fare worse on some healthy aging indicators with higher rates of Alzheimer's disease or related dementias, anemia, cataract, chronic obstructive pulmonary disease (COPD), congestive heart failure (CHF), diabetes, peripheral vascular disease, pressure ulcer, substance and tobacco use disorders, depression, and schizophrenia. Older residents in Coös County vary in obtaining preventive health screenings: residents 18 and older got annual physical exams (74.3%) and annual dental exams (56.9%), while 46.2% of men and 35% of women 65 and older completed all CDC recommended vaccinations and cancer screenings. Community resources to support healthy aging include one primary care provider, one skilled nursing facility, one community health center, and a public library.

TECHNICAL NOTES

*For more information on data sources, measures, and methodology used in the 2025 New Hampshire Healthy Aging Data Report see our technical documentation at (healthyagingdatareports.org). For most indicators, the community and state values are estimates derived from sample data. Thus, it is possible that some of the differences between state and community estimates may be due to chance associated with population sampling. We use the terms "Better" and "Worse" to highlight differences between community and state estimates that we are confident are <a href="https://no.com/no.co

Data Sources:

- Population Characteristics: The U.S. Census Bureau (American Community Survey (ACS)) 2018-2022.
- Housing: ACS, 2018-2022; New Hampshire Home Care Association (NHHCA), 2023.
- Cost of Living: Center for Social and Demographic Research on Aging at the University of Massachusetts Boston, 2023.
- Economic: ACS, 2018-2022.
- Wellness: Centers for Disease Control and Prevention (CDC; Behavioral Risk Factor Surveillance Survey (BRFSS)), 2020-2021.
